SENATE BILL

No. 135

**Introduced by Senator Florez
(Coauthors: Senators DeSaulnier and Hancock)**

February 10, 2009

An act to amend Section 597n of the Penal Code, relating to animal abuse.

LEGISLATIVE COUNSEL'S DIGEST

SB 135, as amended, Florez. Animal abuse: cattle: tail docking.

Existing law makes it a misdemeanor for any person to cut the solid part of the tail of any horse in the operation known as "docking."

This bill would likewise prohibit the docking of cattle, as defined, but would exclude from the application of the crime of *cattle* docking emergency veterinary treatment performed, as specified. By expanding the scope of an existing crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 597n of the Penal Code is amended to
2 read:
3 597n. (a) Any person who cuts the solid part of the tail of any
4 horse or cattle in the operation known as “docking,” or in any other
5 operation performed for the purpose of shortening the tail of any
6 horse or cattle, within the State of California, or procures the same
7 to be done, or imports or brings into this state any docked horse,
8 or horses, or drives, works, uses, races, or deals in any unregistered
9 docked horse, or horses, within the State of California except as
10 provided in Section 597r, is guilty of a misdemeanor.
11 (b) Subdivision (a) shall not apply to “docking” when the solid
12 part of ~~an animal’s~~ *any cattle’s* tail must be removed in an
13 emergency for the purpose of saving the ~~animal’s~~ *cattle’s* life or
14 relieving the ~~animal’s~~ *cattle’s* pain, provided that the emergency
15 treatment is performed consistent with the Veterinary Medicine
16 Practice Act (commencing with Section 4811) of Article 1 of
17 Chapter 11 of Division 2 of the Business and Professions Code.
18 (c) For the purposes of this section, “cattle” means any animal
19 of the bovine species.
20 SEC. 2. No reimbursement is required by this act pursuant to
21 Section 6 of Article XIII B of the California Constitution because
22 the only costs that may be incurred by a local agency or school
23 district will be incurred because this act creates a new crime or
24 infraction, eliminates a crime or infraction, or changes the penalty
25 for a crime or infraction, within the meaning of Section 17556 of
26 the Government Code, or changes the definition of a crime within
27 the meaning of Section 6 of Article XIII B of the California
28 Constitution.
